

Travel with peace of mind

We understand your need to travel, and no one understands it better. But we also understand your apprehension to travel in these unorthodox times.

That is why we've teamed up with the best partners, insurance and service providers to give you guarenteed peace of mind.

Discover Africa act as agents and as such we are bound by the terms and conditions of our suppliers, however we understand that the presence of the COVID-19 pandemic has brought about uncertainty.

We are therefore committed to working only with partners who are willing to offer us and our valued guests flexible policies, in particular offering a full refund of any money paid should travel not be possible due to COVID-19.

6 a full refund of any money paid should travel not be possible

The following will apply to any new bookings taken from 01 August 2020 until further notice

At the time of booking, the standard deposit policy will apply as per our Standard Terms and Conditions

Should travel not be possible due to COVID-19, we will offer a postponement on your travel arrangements at no extra cost (if the new booking falls in a different season, seasonal surcharges may apply)

3 FULL REFUND ON YOUR DEPOSIT

Should postponement not be possible, we will offer you a full refund on the deposit amount paid (less an administration fee of 5% - charged by the suppliers)

Refunds will be offered under these conditions

To be fair to our suppliers the Cancellation must be received in writing by Discover Africa at least 61 days before your intended travel date (cancellations received within 60 days of travel will be liable to the standard terms and conditions)

Should the supplier we are booking with not offer these flexible terms, we will negotiate with them on your behalf and should they not agree, Discover Africa will inform you prior to deposit payment and will offer you alternative options for consideration

These terms will only apply for
cancellation due to COVID-19, in
that the government of your
country of residence or intended
destination restrict travel, having a
direct impact on your
travel plans.

Please note;

To protect our suppliers, cancellations due to fear of contracting COVID-19 or the prevalence of comorbidities will not constitute legitimate grounds for waiver of cancellation fees.

Should the qualifying criteria listed above not be present, Discover Africa's standard Cancellation Terms and Conditions will apply.
